

Tacoma Power

Multifamily Rebates

Save money and improve the value, look and efficiency of your multifamily property with the help of Tacoma Power. We're offering rebates to help offset the cost of projects that will lower energy costs for you and your tenants. To qualify for these rebates, existing multifamily buildings must be three stories or less; five or more units; and be built before 1988. We offer rebates for windows, insulation, light fixtures, clothes washers and refrigerator recycling.

Non low-income properties

MEASURE	INCENTIVE
Single-pane window and sliding glass door replacement	\$4 per square foot
Attic and floor insulation	\$0.50 per square foot
Wall insulation	\$0.65 per square foot
Tenant-controlled light fixtures (ENERGY STAR-rated)	\$20 per fixture
Clothes washers (ENERGY STAR-rated)	Up to \$100 per washer
Refrigerator recycling and decommissioning (Free on-site pickup)	\$30 per working refrigerator

Low-income properties

50 percent of building must be occupied by tenants meeting state income guidelines

MEASURE	INCENTIVE
Single-pane window and sliding glass door replacement	Up to \$17 per square foot
Attic insulation	\$0.66-\$1.31 per square foot*
Floor insulation	\$0.95 per square foot
Wall insulation	\$1.04 per square foot
Tenant-controlled light fixtures (Energy Star-rated)	\$20 per fixture
Clothes washers (ENERGY STAR-rated)	Up to \$100 per washer
Refrigerator recycling and decommissioning (Free on-site pickup)	\$30 per working refrigerator

* Incentive varies based on the amount of insulation installed

How to get started
